

Dear Reader,

It is with much appreciation that I share this month's Newsletter with you!

Youth Walking in Victory Boys Camp 26 to 28 April

We thank God for the Youth Walking in Victory Camps! We have the privilege to invest in these young people's lives! This weekend marked yet another successful boys camp! It is just so great to see new faces signing up to be trained as facilitators. What an awesome God we serve! Other churches now wanting to know how this is done.

As we invite new speakers to present the different sessions, we see a greater anointing on some of these young men.

God is truly taking us from strength to strength! If you know of anyone that needs a touch from the Lord, please tell them about this camp and give me or Karen (079 629 7190) a call.

Here are the dates for upcoming camps:

June 14 to 16 - Girls

August 2 to 4 - Boys

September 20 to 23 – Boys & Girls Combined Reunion Holiday Camp

Please keep praying for facilitators, delegates and the venue, that the Lord continue to touch hearts and refresh all on these camps.

Feedback Breakfast

We had a productive morning at Cafe@The Range. Thembi gave feedback on her experience as a Live Coach at Norkem Park High School. Mr. Pillay, vice Principal from Sir Pierre van Ryneveld High School, shared their excitement to also have a full-time live coach at the school and encouraged the team to keep on fighting the good fight.

South African Police

Prayer Walk

On Freedom Day 27 April, Prayer Warriors from different churches in Kempton Park gathered at Gateway (Presbyterian) Church in Dann Road, Kempton Park where the march commenced. We prayed for and blessed our town and the country and the upcoming elections. Close to 1 000 towns and cities all over South Africa participated. 200 "Soldiers" dressed in white tops, marching in unity.

Initiative by Kingdom Nation. Organized by Pastors and Police Forum in Kempton Park.

Glen Marikana Outreach

Chairs ready to be delivered at Glen Marikana's little church. Thank you to the sponsor! Saturday 11 May at 10h00 we will meet with the leaders again at the church. We will be praying for the planning of and their move to the new site. Visit the new site and pray over the land and choose a site where we can build their new little church. Making a difference to a challenging situation. We will report back again next month.

Please continue to pray with us as God has great plans for these people!

Destiny House

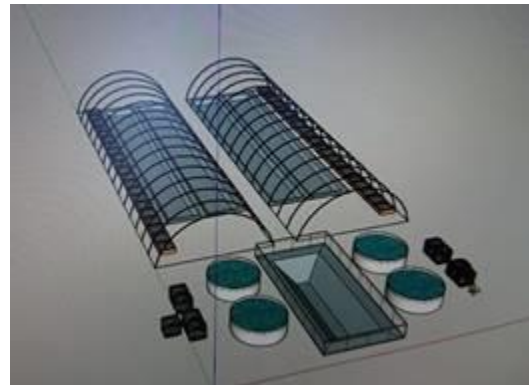

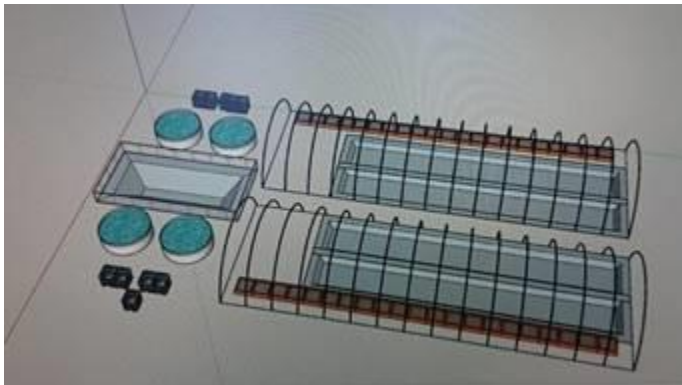

New Ventures

Here we see Destiny House residents getting their first training on hydroponics; the process of growing plants in sand, gravel, or liquid, with added nutrients but without soil. We will be using the cycle with waterflow from fish tanks to feed the plants with water and nutrients.

We are starting this new method of growing vegetables soon and will be fully functional by September this year. A big thank you to Charl, a businessman, who will assist the team in putting up the first tunnel and fish tanks.

A Preview...

Above are the plans for the Aquaponic System. We will become a Training Centre for Aquaponics.

Here the guys are busy preparing the foundations for the four containers which will be delivered next week. We thank the Lord for His provision! We love it when a plan comes together!

We will keep you up to date!

Please keep this project in your prayers!

Our "Parents" Rudi and Petro are doing well. They were well received by the residents and are working well together. Facing normal "parental" challenges; solving them with God at their side.
