

God is in control! To Him ALL things are possible!

Introductions

We would like to present to you Bennie & Phillecia Botha.

Bennie is an intercessor and prays for the children and staff during the weekend of the camp and before. Phillecia is a facilitator with small groups at the camps. She also does home schooling for a number of children with much success.

Bennie and Phillecia have a heart for children. So when we started reaching out to the schools in Kempton Park with the follow up of Youth Walking in Victory Camps in 2017 they joined serving the children. They have three children of their own.

We honour their unselfish commitment to this project.

Destiny House

Construction : Chapel

A truck arrives with another load of bricks! These bricks will be used to start building the next phase of the Destiny House project. A large room is being added to one of the houses as part of the plan to turn the buildings into a camp facility that will be able to accommodate 40 people. One brick at a time, one step at a time, but in His plan, moving ever forward!

IMPORTANT NOTICE!!

We regret to inform you that the dedication of the Chapel at Destiny Halfway House has been postponed. It will now take place on the 7th of October 2018. Please see the invitation below. We apologize for any inconvenience.

South African Police Service

A meeting held with Brigadier Sam Maredi and his team to plan and strategize the implementation of the envisaged 10 point plan to achieve Lighthouse status (see below for full details of this plan).

SAPS has realised that their strategy to combat crime is from above and the slogan, “A Devine Intervention” has been adopted.

Kempton Park has declared that they will be the model police station in the nation!

Please pray with us to see God's favour in implementing and accomplishing this ten point plan through His Devine Intervention.

PROJECT LIGHTHOUSE 10 Point Plan

1. The Station Commander must do a two day Walking in Victory training course.
2. He/she must openly declare that their station is a crime free and bribe free station.
3. Identify at least 20 key people from their station to attend the Walking in Victory Course every year to keep the “fire” going in the station.
4. Must be a part of prayer times; Praying at hot spots and do prayer drives with the local church intercessors and/or pastors who would like to join in.

5. Establish a Prayer Room at the police station for staff and churches to fill prayer slots over a 24 hour period every day.
 6. To have a prayer book in the Prayer Room for prayer requests or offer prayer to anybody entering the police station.
 7. Meet with other Police Commanders once a month who are participating in the project. Mainly to pray for one another and give feedback on progress and possible advice to bring crime statistics down to a record low.
 8. Appoint a staff member to run the Prayer Room with an appointed person from a local church to set up a 24/7 prayer initiative to pray for the police and the local community.
 9. The police commander and staff to be willing to pray with the local pastors at least once a month at the prayer room.
 10. They will have one year to bring their crime status down by 50%. With this achievement they will receive a “Light” and a plaque, stating that their station has “Light House” status. If they bring it down in a shorter period of time; it must stay at a 50% low for three consecutive months to keep the status.
- Light House status can also be lost if crime does not stay below 50% of the Gauteng percentages. The station will have a period of three months to get it down again and get back their Lighthouse status.

SAPS Prayer Walk

Lisa van Vuuren, who heads up the Prayer Room at Kempton Park Police Station, is seen here taking the Gap Year Team on a prayer walk through the Glen Marais area. They have been trained in spiritual warfare.

Next month, God willing, the team is doing a prayer outreach visiting some of the hurt farmers and destroyed small towns and townships, bringing prayer, love and hope... "Go and show the world our God".

Youth Walking in Victory YWIV Girls Camp

This past weekend offered us another opportunity to touch hearts and change lives by the Spirit of God.

It is asked: “How do you eat an elephant?” and the answer is: “piece by piece” and this is exactly how we are going to see God bring change to our schools.

Please remember to pray for the Boys Camp taking place 14-16 September. It is open to delegates from all the participating Kempton Park based High Schools.

School Visists

Sir Pierre van Ryneveld High School & Norkem Park High School

Two local high schools, Sir Pierre van Ryneveld and Norkem Park, have taken up the LLCPC challenge to growing and taking our relationship to the next level.

Here the Gap Team are presenting a skit and sharing their individual testimonies!

We've also had three more teachers join the growing Youth Walking in Victory Team, ensuring increased success and effectiveness through the program and the "aftercare" provided thereafter.

We intend conducting our first mass survey in both schools during this term. It will provide crucial feedback as to our methods and planning to be assessed and tweaked bringing about more effectiveness through the programs presented!

Please lift up in prayer the Boys camp that will be taking place early September. Pray that the delegates experience the Lord and Holy Spirit at a level never experienced before.

Shangri-La Private School

The facilitators of the YWIV program doing a skit and giving testimonies at this private school for the first time. They have been invited to be a part of the program. They will also enjoy the benefit of WIV camps and the follow-up sessions thereafter!

Please keep the team and our projects in your prayers so we may have a greater impact in our high schools, touching the youth with the message of the love of Christ.

Gap Year Team

Please keep on praying for this amazing young adults serving on the year of the life team doing great work on the Walking in Victory camps and the weekly follow up programs in the schools.

Adult Walking in Victory Course

A poster for the 'Walking in Victory!' course. The background is a dramatic sky with a sunburst effect. The title 'Walking in Victory!' is written in large, orange, outlined letters. To the right, a quote from Phil 3:13 is displayed. Below the title, the dates '3 & 4 October 2018' are listed. The venue is 'Maranatha Conference Centre, Plot 456, 6th Rd, Bredell.' The schedule for Wednesday and Thursday is provided, along with a request to bring a Bible, notebook, and pen. A paragraph explains the purpose of the course, and another paragraph describes the benefits. Contact information for Runa and André Roodt is listed at the bottom, along with the logo for 'Luthemba Lethu Community Project'.

The next Adult Walking in Victory Course will take place on Wednesday 3rd and Thursday 4th of October 2018. This is during the upcoming school holidays. If there is anyone you know that has not yet done this course, please advise them of the dates. All is welcome!

We are ever grateful for your prayers and contributions! Your positive attitude towards this ministry is highly valued!

May God bless you abundantly!

Warm regards,

André Roodt
