

Dear Reader,

Many thanks to each and every person who faithfully prayed for us, supported us and participated during the past year. We had an incredible year!

2019 promises to be a very exciting too; we will be going into Modderbee Prison again presenting a pre-release course. Our first Spiritual worker will be stationed at Norkem Park High School. We are hopeful to have large numbers for camp. The ministry at Destiny House is picking up. The development of the camp grounds are progressing well and will be operational by the middle of the year. We are negotiating to register having all the police do the Walking in Victory course, just awaiting the approval of the Gauteng Chaplin's approval.

May Abba Father richly bless and reward you for what you sowed in to Luthemba Lethu and for all your prayer support during 2018. May our Father protect each one of you with His Love and grant you even the secret petitions of your heart's cry.

A Prosperous and Blessed 2019

We look forward to firstly partner with our Father God and Saviour, and secondly YOU who without we would not have been able to do what we do! May you and your family have a well-deserved rest during this holiday season. May God keep you safe.
