

Dear Dewald & Chimoné,

And so we have come to the last month of the year 2018! What a blessed and joyous year it has been. We saw God take control; adding to this wonderful ministry, amazing caring people that served and beautiful young lives transformed!

Destiny House

Our Destiny House Chapel looks amazing. It can accommodate 100 people. We are ready for “business”!

The dedication of the Chapel was a huge success with many attendees and the first services held were such a blessing.

We have dedicated our first two youngsters to God and look forward to many more!

We would like to thank every individual and businesses who contributed in time and donations to make this dream a reality. God bless you abundantly!

Please join us! Our next service & Fellowship will take place on Sunday 9th of December 2018 with lunch afterwards. We are having a lamb braai.

Gap Year Team Final Examination Time!

The Hope Gap Year students busy writing their final exam.

What an absolute joy it has been to see these young men and women growing into powerful warriors in God's Kingdom. Thank You Lord that they have all chosen to join the Youth Walking in Victory team as volunteers for 2019!

Please keep them in your prayers as they move into a new chapter of service.

Please also pray for the new Gap team who are currently enrolling for 2019.

Dear Lord Jesus, raise up a mighty army for Your Kingdom. Amen

Graduation 2018

The Graduation of the 2018 Hope Gap Year Students. We would like to wish you the very best for the future! You have all become the most amazing young adults! It was a privilege to serve you during this past year. Remember you are seated in heavenly places and Father God has a plan for each of your lives!

Destiny House : Expansion

Our well-oiled building team at Destiny House. Here they are busy extending one of the houses on the farm into a dormitory to be a part of the camp site. This room, together with the existing five rooms will accommodate forty people altogether. Here we will present courses on a regular basis. Prison Fellowship SA is training the Destiny House Team to run training courses for ex- parolees and follow up courses for upcoming parolees applying from Modderbee Prison to join the program and live on the Farm.

Please keep praying for Keegan and what we believe God wants to do through these men's lives for His Kingdom.

Introducing

Thembelihle Madi. She will be joining the LLCP Team in a permanent role as a Spiritual worker at Norkem Park High School beginning 2019. Thembelihle was a Hope Gap Year 2018 student. She will be involved in the follow-up programme after Youth Walking in Victory camps where Norkem Park High participates.

TREE Training

In her own words: "Raised by a single mother, I am the third of four siblings. I grew up in a loving Christian home. I matriculated from Edenglen High School in 2017 and joined the Hope Restoration Gap Year Programme in 2018. This programme was an absolutely amazing experience. It taught me more about having a relationship with God and to draw closer to my purpose and live out my calling. I learnt how to be bold and authentic, that God wants to use what He has put inside me to serve and advance His kingdom. When the opportunity to be a Youth Coach came, it spoke to me that this is a chance to not only serve my generation but also to fulfill my passion for young people. I look forward to working with young people even more and to see what God has in store for me."

Welcome Thembelihle! May you stay full of the joy of the Lord and be an incredible blessing to all those He brings across your path.

LLCP representatives attended a training program presented by TREE (Transforming The Education Environment) to be equipped to take on the role of a Life Coach at Norkem Park High School.

Hope Ministries Gap Year Team 2019

This opportunity is open to all young men and women, aged from 18 to 25 years of age. They will commit to one year of service in His Kingdom's work, be spiritually equipped and actively involved in various projects in our community, local schools and other outreach programs.

Please pray for the new intake currently enrolling.

SAPS Prayer Walk

We want to thank our contact person at the Kempton Park Police Station for her tireless loyalty! Lisa J van Vuuren has taken the Gap Year Students on prayer walks, educating them in evangelism, praying over the land and blessing businesses and people.

She is also leading a group at the station at the Prayer Room in a weekly prayer time. Thank you and bless you for your unselfish commitment Lisa, we appreciate you!

As God continues to give the prayer team favour in the streets of Kempton Park, we pray He will multiply them and open doors for them.

Praise His Mighty Name!

Your positive attitude, committed prayers and financial contributions towards this ministry is highly valued!

Warm regards,

André Roodt
