

Dear Reader,

God continues to be good to His children!

## **Destiny House Service & Fellowship**

**10:00 - Service & Fellowship with lunch afterwards on this coming Sunday; 4<sup>th</sup> of November 2018. Please feel free to join us!**

## **Gap Year Team Mpumalanga Outreach**

The team visited Mpumalanga for a week of prayer outreach and evangelism.

They planted crosses and prayed against farm murders, wickedness to be exposed and that righteousness shall prevail, speaking life into all the towns they visited; Machadodorp, Lydenburg and Belfast.

In Belfast they went out walking the streets to evangelize. At the town's orphanage they did a talk and prayed for everybody.

What an amazing week. God perform great things through the team in the community and the team alike. We know that these towns will not be the same again for God has done great things! All glory to God as He ministered to the community.

Praise the Lord for raising up such a dedicated and committed team of volunteers to reach the lost.

### **Great news! We are excited to announce....**

We are planning to place our first fulltime Youth Councillor at a high school from next year. One of the students on the Gap Year program has prayed about it and feels that this is what God wants her to do. More news to follow!

## **South African Police Service**

### **SAPS Prayer Walk**

God continues to give the prayer team favour in the streets of Kempton Park! They now go out on a weekly basis and He opens doors for them to pray.  
Praise His Mighty Name!

## **Youth Walking in Victory**

The camps for this year has come to a finish. Exams are in full progress and we would like to wish all children a successful outcome! To all matrix; May God bless you as you write this last school exam and may you be fruitful as you step out into the “adult” world. Be successful!

We praise and thank God for what He has done in the lives of the hundreds of boys and girls that attended the camps during 2018. He has done an amazing work!

All of the logistics would not have been possible without the help of our dedicated team. Thank you Karen McRae and team for your dedication and unselfish commitment; visiting the schools on a regular basis and convening with teachers and facilitators. Bless you!
