

My friend and fellow partner, how exciting and fulfilling it is to know the God that made the heaven and earth! To know that He wants only the very best for His children. And to see this with our very own eyes as He grows this ministry!

Our news reflects just that! Enjoy the read!

Humble beginnings...

Our very first event took place on February 2015. We had a Fun Day for the community and all the High Schools in Kempton Park.

The students had a relay run and took it really serious. We had some proud winners! Everybody had a great day with stalls selling craft items, food and coffee, of course. The "playground" attracted young and old.

The Barbarians for Christ was born! Giving a strong man performance and sharing their testimonies.

We have come a long way since then and we thank our Father God for His provision and grace!

Schools Ministry

Brainstorming!

We had a productive Saturday morning at Cafe@The Range. Thembi gave feedback on her experience as a Live Coach at Norkem Park High School. Mr. Pillay, vice Principal from Sir Pierre van Ryneveld High School, shared their excitement to also have a full-time live coach at the school and encouraged the team to keep on fighting the good fight.

Youth Walking in Victory Camp

On the weekend of April 26 to 28 we had our boys camp at Jabulani Campsite. Fifty boys attended and God did an amazing work in their lives!

Our next camp is for girls. The team has been visiting all the high schools and response was good! We will report back on this camp next month.

Here are the dates for the rest of 2019 camps:

June 14 to 16 - Girls

August 2 to 4 - Boys

September 20 to 23 – Boys & Girls Combined Reunion Holiday Camp.

It is with sadness that we had to accept Karen MacRae's resignation. She has been one of the pillars in this ministry. She diligently visited schools, arranged camps, arranged transport; pick-ups and drop offs, convened with facilitators and she loved the children unconditionally! Her heart is to see our nation changed one soul at a time, to the betterment of our nation.

She gave her time unselfishly. Amidst a challenging time in her personal life.

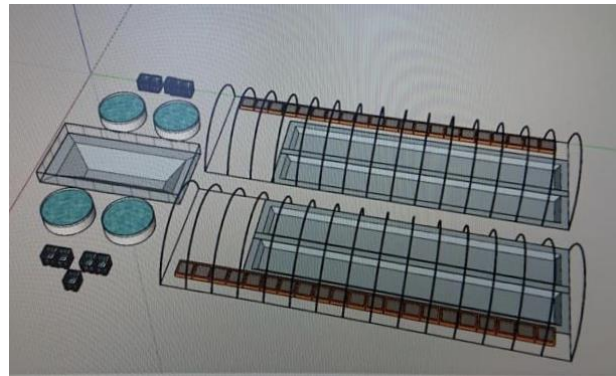

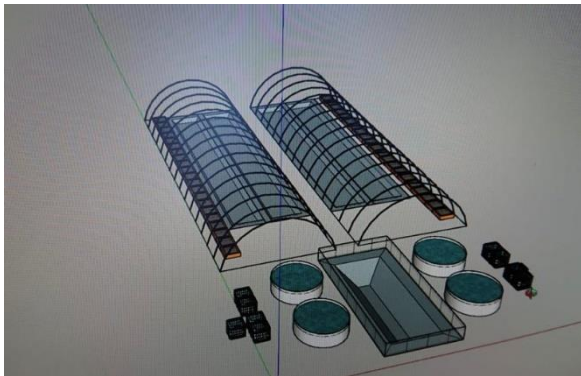

Karen, we salute you! May God bless you as you pursue Him in every challenge you may face. May you experience His love and presence on a deeper level daily. May you be a blessing wherever you serve!

We love you and bless you as go.

Destiny House

Things are happening!

Aquaponics

These are the plans for the Aquaponic system. We will become a Training Centre for Aquaponics.

Please keep this project in your prayers!

As the equipment arrives for the setting up of the fishponds and tunnels our guys are getting ready for their next level of training and hard work. Here the guys are busy preparing the foundations for the four containers which will be delivered next week. We thank the Lord for His provision! We love it when a plan comes together! We will keep you up to date!
God bless you as you serve and sow! The harvest will be abundant!

Containers arriving!

These will be used for staff accommodation, storeroom and walk-in refrigeration. We have been busy with the construction of the campsite dormitories; we now understand why it had to start when it did. Destiny House Farm will become a training facility to teach others the Aquaponic system, and they will need a place to stay while in training.
God is good!

SAPS Glen Marikana Settlement

Chairs ready to be delivered at Glen Marikana's little church. Thank you to the sponsor!

Brigadier Maredi was excited to accompany us as we delivered the sponsored chairs and a new sound system to a grateful Ps. Johannes at the small church at Glen Marikana Settlement. Ministering the Word of God to the leaders and encouraging them on the move to their new premises during October/November this year. Please pray for the transition/move to be a peaceful one.

Saturday 11 May at 10h00 we will meet with the leaders again at the church. We will be praying for the planning of and their move to the new site. Visit the new site and pray over the land and choose a site where we can build their new little church. Making a difference to a challenging situation. We will report back again next month. Please continue to pray with us as God has great plans for these people!

Prayer Walking

Prayer walking the streets of Kempton Park, actively taking back our city for Jesus.

1. We give out tracts/flyers with practical steps on how to accept Jesus as your Saviour.
2. Leading them in prayer to make the commitment.
3. Removing posters from lamp posts that advocate wickedness, replacing them with a poster telling the people about Christ.
4. Carrying black refuse bags and picking up rubbish laying in the streets.
5. Stopping at strategic places to take authority over the work of the devil.

6. Mobilizing the church in the inner city to take control, to see Gods Kingdom come on earth as it is in heaven.

Every Tuesday from 11:00 to 13:00. Anybody welcome! We leave at 11:00 sharp from the prayer room at the police station 17 Monument Rd, Kempton Park. Come join us!
