

Yet another month has passed and we are in the last month Of 2019 and thank you God has again been so good to us!

## **Schools The GAP Team**

The Gap Team of 2019 writing their big final exam. This was another great year with these young people that has memorized 90 scripture and the 8 principles and many more from the Walking In Victory training as well as other courses plus 6 book reviews, everything to prepare them for the next phase of their lives.

## **Schools**

### **Youth Walking in Victory**

We are saying the final goodbyes and graduation compliments at Hope Restoration Church. Most of these people will be available next year to help us as facilitators for the Walking In Victory school camps.

## **Aquaponics**

We are getting to the final stages of the Aquaponics. Here Keegan doing the final cuts in the workshop. We are now going to phase 3, after which we will have our own vegetables in 3 months' time.

## **Schools Life Coaching Leaders**

Here we have the three live coaches, leaving for their training after the gap year graduation. Thembi is doing her second year at Norkem High. JJ is starting next year at Sir Pierre High and Happiness at Rhodesfield High. Please pray for these young people as they will be on fulltime staff at these three schools, doing recruiting for Walking In Victory camps and follow ups afterwards.

## **Police**

## **National Road Show**

Here we are attending the police national road show on divine intervention with General Pharasi. Knowing that God has led us already in Kempton Park, in putting a functional model together for the nation to show that “our struggle is not against flesh and blood but against evil forces.”

We are immensely grateful for your every contribution to this ministry. I do not have enough words to thank you! I pray God bless you and your families, your businesses and employees with a double portion!  
Until next month!

Warm regards,
