ACTING IN UNITY
FOR THE LORD

“OUR HOPE”

THE 2020 GAP TEAM

This is some of the follow up meetings after our outreach week. The 2020 Gap team were visiting the life coaches at these schools giving input to these young people. The High School, working with us in this program, are very excited about what God is doing in their schools. I'm getting invited more and more to do funerals, hospital visits and even deliverance sessions with some ground staff. God is truly opening more and more doors.

KEMPTON PARK POLICE STATION

It was with great excitement that we heard a week before lock-down, that once again Kempton Park police station's Brigadier Sam Maredi has received the honours from the General of the Gauteng Police Department, that Kempton crime stats is far lower than the average and wanted to know how he did it. Other police stations will be visiting to see what we have implemented.

But the reason is because of constant and faithful praying at prayer rooms, hot spots and prayer walking.

Please keep on praying for Brigadier Sam Maredi. He loves the Lord and is very excited about the divine intervention program that is running at Kempton Park police stations.

LIFE APPRECIATION

FROM

LUTHEMBA LETHU COMMUNITY PROJECT

We would like to thank you for your constant support, even during this difficult time, herewith just a word of concern and encouragement.

Lord Sumption, historian and former United Kingdom Supreme Court justice, warned on BBC's World at One, "The real problem is that when human societies lose their freedom, it's not usually because tyrants have taken it away. It's usually because people willingly surrender their freedom in return for protection against some external threat. And the threat is usually a real threat but usually exaggerated. That's what I fear we are seeing now."

We have to see God's bigger plan. At this time He plan this, He knows about this, He allowed the devil to excite it to bring forth good. This is our time to shine.

1. Spend time in God's presence, get His heart again for the lost (Consider fasting at this time)
2. Pray for your family, neighbourhood, city and country and most of all for the lost God knows how to get their attention.
3. Have a set schedule to do the things you don't have time for (Your wife prayed for years for you to have time to do things around the house (God answer her prayer)
 - a) Have extended time in His presence
 - b) Exercise (That means breathing faster for at least 5 minutes)
 - c) Do Some Reading
 - d) Maintenance it is not a swear word (tackle that list your wife made for you)
 - e) Contact your family and friends pray with them over the phone talk to your neighbours see if they are fine
 - f) Do admin personal and for your work
 - g) Play some board games or build a puzzle with the family
 - h) Pray together as a family
 - i) Do some more reading
4. Allow God to be God in your life, surrender to His plan, get out of denial and prepare yourself for after the lock-down. There is a desperate world out there that needs to see the God of the Bible through your life.

You are invited to join us for our next Church Service at Destiny Halfway House Chapel at 10:00 on the 26th of April 2020

Taking into consideration the current status, regarding the country wide lock-down, this date is only tentative and may change.

A second communication will be distributed at a date closer to the event to either confirm or cancel, depending the situation at the time.
