

## Luthemba Lethu Community Project

We want to thank you for your dedication, prayers, and support throughout 2025. We pray that our Father in heaven will continue to pour out His blessings over you, your family, and your business. We also thank you in advance for your continued commitment in 2026. May His presence, peace, and joy be your portion in the year ahead as we trust together to impact our city and bloom where He has placed us.

### Farewell to Brigadier Ndlovu...

We said our goodbyes to Brigadier Ndlovu and his wife, who has taken up a private post in KZN, during a gathering at Spur with his top officials from Kempton Park Police Station. We were joined by our inner-city pastors as we also prayed for the acting head, Colonel Lesomo—a dedicated, Spirit-filled Christian who has also attended the Walking in Victory course

### Doing Hotspot Praying in Kempton Park

We conducted hotspot prayer along all the R21 off-ramps with a team from the police station and dedicated pastors, addressing the hijackings that have become a growing concern in Kempton Park. Declaring, “Not by might nor by power, but by My Spirit,” says the Lord—this mountain will be removed.

We are kicking off our first leadership camp with all 30 prefects from Kempton Park Laerskool on the weekend before the school reopens. This will give our new life coach a strong running start for 2026.

We would also like to warmly welcome Christiaan—my son—who will be introducing team-building programs, not only for this camp but for all future camps. This year, we will be hosting 30 camps as we continue to expand our impact in the schools we serve.

### Prayer Points for the Beginning of 2026

2. Favour with Schools – Pray for favour as we present schools with an expanded program to serve their students, teachers and parents more effectively.
3. Expansion of Destiny Camps – Pray for the growth of Destiny Camps into two separate facilities, allowing us to accommodate multiple groups simultaneously.
4. Effective Life Coaches – Pray for each life coach to become more effective, impactful, and influential in their schools.
5. First Weeklong Disciples Camp – Pray for our inaugural weeklong camp during the July holidays, reaching difficult boys and girls with guidance and support.
