

Hope has the power to change the direction of a life. It gives courage to the discouraged, purpose to the uncertain, and strength to those who feel like giving up. Every day we have the privilege of witnessing this transformation as young people begin to see themselves through new eyes discovering the identity and purpose God created them for overcoming personal challenges, restoring broken relationships, and choosing a path that leads to a brighter future. At LLCP, we believe that lasting change doesn't happen through programmes alone it happens through consistent encouragement, genuine relationships, and opportunities that allow young people to grow in character, leadership, and faith. Whether it's a conversation with a Life Coach, a breakthrough at one of our camps, or a learner stepping into leadership for the first time, each moment reminds us that hope is more than a feeling it is the foundation on which lives are rebuilt. As you read this month's newsletter, we invite you to celebrate these stories of transformation with us. Every milestone, every changed heart, and every life moving forward has been made possible because of faithful partners like you. Thank you for believing in the next generation and for helping us bring hope that inspires lasting transformation. Together, we are rewriting tomorrow, today.

## A Powerful Full-Circle Moment

This month we had the privilege of returning to Modderbee Correctional Services for a truly special reunion. Three former inmates, who are now successfully rebuilding their lives, returned to share their powerful testimonies of hope and transformation with those currently incarcerated.

Angelo and Shepherd Pani also blessed the inmates by giving them copies of the books they have written, sharing the message that no one is beyond God's redemption. It was encouraging to see that the ministry inside the correctional facility continues to impact lives.

One of the highlights was when Pastor Ezekiel invited Keegan, now the Manager of our Destiny Campsite, to return and help facilitate the leadership development program. Years ago, Keegan was a leader in this very program while serving his sentence. Today, he leads others and faithfully serves in our ministry—a beautiful reminder that God can restore lives and use them for His glory.

God's transforming power is still changing lives, and we are grateful to witness His faithfulness.

## Building Tomorrow's Leaders Today

We were excited to host our very first Leadership Camp with the prefects from Aston Manor Primary School. Led by our Life Coach, Mak, and an incredible team of facilitators, the weekend was filled with fun, teamwork, and meaningful leadership development.

Through exciting team-building challenges and interactive sessions, the learners discovered what makes a true leader, the importance of emotional security, and how to present themselves with confidence. While the camp was filled with energy and laughter, every activity had a clear purpose—to equip these young leaders to make a positive difference in their school.

One of the highlights was seeing the prefects develop a shared vision for Aston Manor Primary and create practical action plans to turn that vision into reality. Mak will continue meeting with the group through regular follow-up sessions, encouraging and supporting them as they put their plans into action.

The greatest highlight of the weekend was that every learner prayed the Sinner's Prayer and accepted Christ as their Saviour. Two teachers from the school also attended the camp, and the feedback from Mr. Botha was overwhelmingly positive.

He expressed his desire for every future group of prefects to experience this leadership journey.

This was more than just a camp—it was the beginning of a leadership journey, and we're excited to see the lasting impact these young leaders will have in their school and community.

## You're Invited to the Cross Unveiling

Join us on **Sunday, 23 August**, as we unveil the Cross on the rooftop of the Kempton Park Police Station—a powerful symbol of hope, faith, and God's presence over our community.

The evening will begin with a **Prayer and Worship Gathering** from **5:00 pm to 7:00 pm**, as we come together to lift up the name of Jesus over Kempton Park and pray for our families, schools, community, and those who serve in law enforcement.

After the service, everyone is warmly invited to the Prayer Room at the police station, where **hot soup and fresh bread** will be served as we enjoy fellowship together.

**Everyone is welcome.** We would love for you to join us for this special evening as we dedicate this Cross to the glory of God and stand together in prayer for our city.

## Pizza, Laughs & a Great Cause!

**Warning:** Side effects may include sore cheeks from laughing, a very full stomach, and the satisfaction of making a difference!

Join us on **Friday, 19 September**, from **2:00 pm to 7:00 pm**, for LLCP's **first-ever Fundraiser Games Night at Goodies for Gardens**.

For just **R250 per person**, you'll enjoy:

-  **All-you-can-eat pizza**
-  Fun games and friendly competition
-  Plenty of laughs and great company
-  The opportunity to invest in the lives of young people through LLCP

Whether you're coming to show off your competitive side, enjoy endless pizza, or simply spend an afternoon with friends and family, this is an event you won't want to miss!

**Come hungry. Come ready to laugh. Come ready to make a difference.**

## We are excited to share that God continues to open new doors for LLCP!

Rhodesfield High School has welcomed a new interim principal, Mr. Edom, who has invited us back to minister to the teaching staff and partner with the school once again.

Following a period where our involvement was paused under the previous interim principals, we are grateful for this renewed opportunity to serve. Plans are already underway for both Leadership Development Camps and Character & Discipline Camps, creating fresh opportunities to invest in both learners and educators.

We are also building a relationship with our fourth primary school, Kempton Park Primary School, where we hope to begin hosting camps and prepare the way for the placement of a full-time Life Coach. In addition, Kreft Primary School's Prefect Development Camp is currently in the planning phase, and we are excited about the impact this program will have on the school's young leaders.

As God continues to expand this ministry, we would greatly value your prayers. Please pray for wisdom, open hearts, the right resources, and God's favour as we continue bringing hope, developing leaders, and working together to see our city transformed for His glory.
