

Luthemba Lethu Community Project

Your Support Makes a Difference Behind every programme, camp, Life Coach and young person we reach, there is a story - and often, there is a faithful supporter who made it possible. Your generosity helps us create opportunities for young people to discover their worth, develop leadership, make better choices and build a future filled with hope and purpose. What may seem like a simple contribution can become a conversation that changes a life, a camp that opens a new perspective, or an opportunity that helps a young person believe in their future. This month, we invite you to celebrate with us the lives being touched and the seeds being planted. Thank you for investing in young people and helping us bring hope that can change communities. Together, we are rewriting tomorrow, today.

From Vision to Reality: A Light Over Kempton Park

This month, we had the privilege of seeing a vision become reality as we unveiled the cross on top of the Kempton Park Police Station.

Together with community members, police officers, pastors, supporters and friends, we gathered to give thanks to the Lord, worship Him, and pray over our community. The cross is more than a symbol - it is a reminder that **hope, faith and light have a place in Kempton Park.**

As we prayed, we declared our desire to see Kempton Park move from darkness into light, from fear to hope, and from brokenness to restoration. We believe God has a purpose for this community, and we are honoured to play our part.

What began as a vision is now a visible reminder: the Light is shining, and we believe the best is still to come!

💛 Working Together for a Stronger Community

We were privileged to meet with the EASTC Technical School Board, where we had the opportunity to share ideas and explore how we can work together to better serve young people and the wider community.

The conversation focused on how we can build stronger partnerships, support learners more effectively, and become a positive influence for change. We believe that when schools, community organisations and local leaders work together, we can create greater opportunities and help young people move towards a future filled with hope and purpose.

Together, we can make a greater difference—one young person, one school and one community at a time.

👤 More Than a Meeting: Making Disciples, Changing Lives

We are excited to share about a new group of young followers of Christ who are taking a journey together at **Gateway Church**, meeting every second Thursday.

Our goal is simple: **to make disciples who make disciples.** We gather around God's Word, share our goals and challenges, and create a safe space to talk about our hurts, hang-ups and habits. Most importantly, we encourage one another, keep each other accountable, and **speak life into each other's journey.**

But it doesn't stop with us! Every six months, each member is encouraged to help bring another person into the group—creating a growing movement of young people who are learning to follow Jesus and help others do the same.

One life. One disciple. One life at a time.

As Jesus commanded: *"Go and make disciples."* — **Matthew 28:19**

We're getting closer, and we'd love to see you there! Our very first LLCP Fundraiser is a chance to put the fun into fundraising while coming together to support a cause that is making a difference in the lives of young people.

Join us on Friday, 19 September, from 2:00 pm to 7:00 pm at Goodies for Gardens for an afternoon filled with pizza, games, laughter and great company.

🍷 Tickets: R250 per person

Bring your friends, bring your family, bring your competitive spirit - and most importantly, come knowing that your support is helping us bring hope and create opportunities for young people. Spaces are limited, so don't leave it until the last minute!

We can't wait to enjoy the afternoon with you!

🌱 From a Weekend of Leadership to a Lifetime of Impact

We are excited to be planning **Leadership Development Camps for Sir Pierre van Ryneveld High School and Norkem Park High School**—creating opportunities for young people to grow in confidence, character, responsibility and leadership.

But the journey doesn't end when the camp is over. **Our Life Coaches walk the journey with these learners beyond the weekend**, building relationships, encouraging them through their challenges, helping them set goals, and keeping them accountable to the positive choices they have committed to making.

This follow-up is what helps turn a powerful weekend into **lasting change within the school**. Through consistent support and mentoring, we want to see young people not only become better leaders, but become positive influences among their friends, families and communities.

The camp starts the journey. The Life Coach walks the journey with them. The goal is lasting transformation.
